Jake,

Ware Lumber: No, we just received additional data today so I would assume that SI has not been finished yet, correct?
Anchor Hocking: Yes, I received the SI from you on 5/21/18.
Parsons Tannery: No, the most recent information I received about Parson's Tannery was the validated data on 4/25/18.

Also, attached is the final version of the sampling map. Have you received any updates about accessing Berwind property for sampling? If you would like to contact me on Monday, phone is the best way since I will be in the car most of the day. We will see you on Tuesday morning at 8 am.

Thanks,

Justin,
Please let me know if you have received SI reports from Ware, Anchor Hocking, and Parson's Tannery.

Also,
How is the sampling plan coming along for Arbuckle-Minden?
Thanks
